ASX code: **K2F**

K2fly wins a major contract in transport infrastructure sector

Highlights:

- K2F has won a major contract with Arc Infrastructure.
 - K2F will deploy the market-leading Mobility software, Fieldreach, to this transport infrastructure manager. This further enhances K2F's presence in the asset intensive sectors.
 - K2F continues to win business in a highly competitive marketplace, and proves that it has the right people, products and industry alliances to offer solutions to Tier 1 clients.
-

Leading technology company K2fly Limited (**ASX: K2F**) is pleased to announce that it has won a software and services contract with Arc Infrastructure which will have a positive, material impact on both the revenues and profits for FYE June 2018.

K2F will be implementing the Fieldreach solution from Capita plc (UK) which is an example of where K2F is working with global, best-of-breed software solutions. Fieldreach has been successfully deployed in many rail companies, including London Underground and Network Rail.

Commenting on the win, K2fly CEO and Executive Chairman, Brian Miller stated,

"We were delighted to win this strategically important contract. It was a competitive bid and we came out on top. We are grateful to the support from our colleagues at Capita and now look forward to installing the software and then tailoring the solution to match Arc Infrastructure's needs."

The project will commence in early December.

About Arc Infrastructure

Arc is pronounced as a word and not an acronym.

Arc Infrastructure is a leading transport infrastructure manager in Western Australia. We currently operate the State's 5,500km freight rail network, connecting people, commodities and ports across the State with the rest of Australia and the world.

Spread across regional Western Australia, our team of 430 employees keeps the rail network operating 24/7. We live local, buy local and are committed to contributing to regional communities.

Previously called Brookfield Rail, we changed our name to Arc Infrastructure in July 2017 to reflect the aspirations for our future to expand our involvement in transport infrastructure assets. We're committed to working with industry, our customers, partners and communities to find new opportunities that will support and strengthen our rail network for the benefit of WA.
